"A storm, a group of misfits, villainy, lots of laughs, and sinister plots abound!

When the star actor of the Renaissance Faire goes missing, everyone tries to find a solution as the show must go on - even if this means casting a young actor of questionable talent...

With the Medieval World theme park breathing down their neck, the Renaissance Faire needs this show to survive another summer! Their solution: a new set of short scenes called "Death scenes from Shakespeare". With a storm brewing on the horizon and the star found murdered, our band of misfits must find the culprit in their midst before it's too late!"

**Sickness:** Please help us keep our school and student body healthy. If your child is sick and is unable to function well in class, please keep him/her home.
