MAY IS EXAM MONTH - This is a reminder that there are lots of tests going in the month of May including Government exams for grade 6. Please make sure that the students are sleeping and eating well as this can be a stressful period for them. Also, absences can make it difficult for the child to catch-up with these exams so please try to avoid absences when possible.

Allergies: We have students with severe allergies to nuts and seafood. Please avoid sending these items to school. Thank you for keeping our students safe.

Absent/late students and early departures: If your child(ren) will be absence or late, please call the school 819-843-4847 by 8 am, or enter it directly on the Mozaik parent portal, to motivate his/her absence. If you are picking up your child early, please send a note with your child directly to the teacher and your child will be at the office for the designated time.

Complaints Process - Student Ombudsman: Should a student or their parent be dissatisfied with the educational services they received, are receiving, should have received, or need, the complaint process can be found at the following link:
