" Get your kicks on Route 66! America's most famous highway is the backdrop for this sweet comedy set in an Arizona diner in 1955. Sally, a small-town waitress and hopeless romantic can't believe her eyes when her idol, none other than actress Lovey Lamour, arrives in the small diner where she works! To help Lovey evade the paparazzi, Sally comes up with a genius plan: disguise her as a waitress of course! Wayward journalists, an over-the-top Hollywood agent, a cooky mechanic, a family on a vacation to the Grand Canyon, a man with a bottomless stomach, and many more characters pass through the charming town of Winona Arizona and Cookie's Diner over the course of this play!"

Featuring a live band and musical transitions, this play is sure to please both young and old alike. Join us at Cookie's Diner, the heart of Route 66!"

Sickness: Please help us keep our school and student body healthy. If your child is sick and is unable to function well in class, please keep him/her home.
