It is very important that you read with your child(ren) the School Information booklet that was sent to you by email.. Also, the General Consent form will be sent home with your child on the first day of school and should be completed (in blue or black ink) and returned to the school as soon as possible. If there have been any changes to parent addresses, guardianship, phone numbers, emergency contact, e-mail address, etc., please make sure to provide the school with any modifications as soon as possible. Please be reminded that the parent portal provides you access to your child's bus passes, report cards, absences and other important information. This tool, in addition to our Facebook Page and email list, ensures on-going communication between our families and our school.

Newsletters will be issued through e-mail and continue to be available on the school Facebook page and website. If you require a hard copy, please advise your child's teacher. We are asking that each family take the time to review our newsletter. You will find important dates and upcoming events.

Recesses

- Students need to dress for the weather.
- On days when it has rained or is drizzling, students will go outside and need rain wear and boots.
- It is important that students go outside to play whenever possible.

School Buses: Families who wish to report a change of address should send a note directly to the school with the effective date, new complete address and phone numbers. If you have any questions, please contact Sandy at 819-843-4847 x2. Please take note that Transportation does not accept any requests for students to get off at someone else's house or to take another bus.
